Introduction to Badges in Brightspace

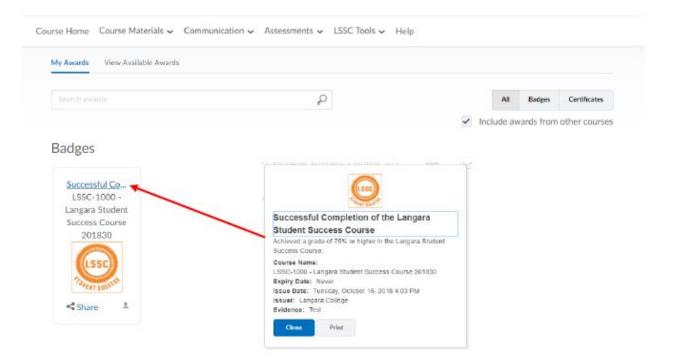

Badging is a new feature available in Brightspace to track and recognize certain achievements completed within the learning environment. The badges acquired can be shared and retained in the user profile for future reference.

Steps to share the LSSC badge for students:

- 1. From the Course Homepage, navigate to <u>Assessments</u> in the course menu.
- 2. From the Assessments dropdown menu, select Awards.

- 3. In the <u>Awards</u> page under the <u>My Awards</u> tab, students can view their acquired badges.
- 4. More details regarding the acquired badge can be found by clicking on the badge link.
