

Cornell Note-Taking System

Draw a **margin** on the left side of the page
Take your **class notes** to the right of that margin.

After class:

Find **main ideas** & sentences

Write these as **key words** in the **margin** region

When **reviewing later**, consult **margin** areas for **quick reference**

=====

Draw Margins at Left
And Below of page ...

Take Your Class notes
outside outside of Margin
Areas...

After Class ...

This Helps in 2 ways:

- Focus on the Key Concepts
- Better Recall & learning for Exams
